May 4, 1925 - August 17, 2021

Alfred "Bill" Haley, 96, of Hudson, died Tuesday, August 17, 2021 at the Community Hospice House in Merrimack.

He was born May 4, 1925 in Dallas Plantation, ME, son of the late Louis and Maggie (Bracket) Haley. Bill was also predeceased by a son, Dennis D. Haley as well as by a grandson, Timothy Briand.

Bill was the husband of Beverly (Corkery) Haley of Hudson with whom he shared 59 years of marriage.

In his early years, he was educated in the Rangeley School System in Maine. He left high school early and enlisted in the Army Air Force, where he honorably served his country from 1943 - 1946. Upon his return, Bill started a job in the Electronics Industry and it ended up being a career that would last for over 35 years.

Bill enjoyed snowmobiling in NH and ME with one of his favorite trips being Yellowstone. He also enjoyed camping in his trailer, but most of all, he enjoyed spending time with his family.

I'm sure when Bill entered heaven he said "mention my name, you'll get a good seat." Bill's jokes will surely be missed by all who knew him.
