“ Very sad to learn of Andy's passing. We met he and Carol by chance around 3 years ago while shopping at Sam's. They were both so happy and we had so many laughs that afternoon after not having seen each other for many years. Even in our short meeting it was so very evident each held the other in such high regard. To their three daughters please accept our sincere sympathy for the losses you have endured this year and may God Bless and sustain you through this difficult time. Sincerely, Carol Kelley (AHS '65) Cordero & Damaso Cordero.

“ Andy was the best grader operator I ever worked with. A road grader is one of the most difficult pieces of equipment to operate but Andy mastered it. He was an artist, speeding back and forth in his machine, preparing roads and parking lots to be paved, always knowing the paving crew wasn't far behind. Andy took it all in stride. He was one of my favorite people. I grew up knowing Andy as 'Babs.' Later, as I got to know Andy, he would fill me in on how his daughters were doing. Andy was always kind and thoughtful. When my dad passed recently, Andy, despite everything that was going on in his life, took time to call my mom and attend an informal gathering. My all-time favorite memory of Andy is when we played golf once at Green Meadow. We were playing in a foursome and Andy sunk a ridiculously long putt on the final hole. When the ball went in the hole, Andy yelled "I love this game." Our thoughts and prayers are with the Lindquist family. With love, Rebel Allard & family
