“ Words can never take the place of a lost loved one, especially one as dear as your mother. I hope you can find some comfort in knowing she is at peace and no more suffering. I will always remember how nice she was to us, always a warm greeting and always accepting and never judging. Her kindness and love of animals will always stand out in my mind. Please accept our sympathy for your loss and know we will never forget her. She will always have a special place in our hearts. Love, Bill and Roger
