“ Incredible. It's just Amazing how much love a family can have. What a beautiful tribute. The pictures perfectly depict the love and devotion you all shared. Sending love and strength from Maine. So sorry I could not tell you in person how sorry I am. I have wonderful memories threaded in the fabric of my childhood.

“ Dear Kathy & Family,

So sorry to hear of the passing of cousin Bernard. He always made me feel so good when I would see him with that big smile and jovial attitude. I will miss that very much and I will try to be more like him in my own life.

With our deepest Sympathy,
Noella & Mike Sears & Family

“ We just received a phone call that our dear neighbor from 1977-1995 passed on. As we look back over our lifetime, those will be years that the Manor family enriched our lives so much. Especially when Gordon spent many, many times during those years talking to Bernie while working on cars in his garage. No matter how busy, Bernie

always had time to talk and make you feel welcome. He repaired our cars at least a couple times and our son Dan bought two cars that Bernie rebuilt, a yellow Mustang and another red sports car that Larry drove for awhile. There are memories of being in their home including some occasions on Christmas eve when their family was there. Bernie was a wonderful man. Our condolences to Kathy, Lori, Larry, Pete and Pat from Gordon, Lillian, Dan & Debi.

“ Cathy and I offer our deepest sympathies to Bernie's family. It's been a long time since we served together on a Town of Hudson commission but I recall Bernie's can do attitude and valued his insight into every issue -big or small. Bernie always made everyone feel comfortable, and he was pleasure to be around. We will miss him.

“ We will always remember visiting Clara and Clarence when we visited Vermont. They were both such a happy, and fun loving aunt and uncle to be with. I loved hearing about how they used to love to go dancing and was really happy when we sat down to share dinner with them and enjoying Aunt Clara's cooking. What a great couple they were and had such a successful family life and marriage. Aime & Jeannine Quesnel

“ I had the pleasure of meeting Mr. Manor while rooming with his son Pat at UNH. He was a warm, kind, and funny gentleman who always made me smile and feel like part of his family. His humor and passion of cars always made it fun to chat with him. We are deeply saddened for the whole Manor Family. Pat and Pete you were lucky to have such a great man as a father. Our thoughts and prayers are with you both and the rest of your families. May he rest in peace and your days eventually be filled with smiles of having such a great dad. ,
Our deepest Sympathies,
Ag and Marta

“ Bernie and Kathy were our neighbors for over 30 years Judy and I were so lucky to have Bernie and Kathy. Judy and I first met Bernie and Kathy camping . Bernie and Kathy bought their home on Stable Road and shortly after we bought our home across the street. One day we realized these are the people we met camping wow a surprise.
A smart and talented man thank you for all the times you were there. Our hearts are heavy RIP

“ Always loved seeing Bernard. He always had a hug and a funny jab for his many cousins. We are so sad to her he lost the battle. I'm sure he's off to visit his mom and dad and the rest of the extended family in Heaven. RIP Bernard. Dianne and Harry Bumps

“ I grew up across the street from The Manors from age 4 to 28. My room faced the Manors house and as a little girl I would see Mr. Manor in the garage night after night with the light on and I always felt safe. This continued through my life on Stable road and even as a 20 something come in late at night the light would be on in the garage and I knew all was well on Stable Road. Mr. Manner was such a kind, smart man.. My heart hurts. Blessings and Love to the family from Maine!

“ Bernie always had a smile - even when dealing with construction projects for the town and school district. He made so many contributions to Hudson over the years. He will be missed.

“ Not only being close neighbors to Bernard and Kathy for almost 40 years, we were lucky enough to also consider them to be close friends....Helmut thought of Bernard as an older brother, a wise man who knew even more than HE does, about everything, and always asked for Bernard's advice....I will especially miss his wonderful sense of humor, his love of his wife and family, his consideration to all those around him, the "twinkle" in his eyes.....a deep void is felt in our hearts that just will never be filled....God bless you Bernard!.....Karen and Helmut Boml
