“ Mom. I miss you more and more everyday. Words can't explain how heartbroken we are that you are gone. But don't worry, we will be fine. It may take us all a long time to finally heal from this, but we know you are always with us. Dad, Ray, Sondra, and I miss you terribly and I just want you to know we all love you very much. You were the best mom anyone could ask for. I love you and miss you so much.

“ I met Celine in 1996 at Oxford Health Plans. We butt heads & then became friends. She certainly was a unique strong-willed person. I wish we could've gotten together after I left Oxford. I have good memories. Celine's loved ones will be in my prayers.

“ I worked with Celine at Oxford Health Plans for a couple of years. Friendships and memories were formed during our short time working together. Celine was a hard worker and was always willing to answer questions and help her teammates. She loved her family, had a good sense of humor and was fun to get to know. I am glad I had that opportunity to meet her. She will be thought of often with fond memories.
May God keep His loving, healing arms around all of you and give you peace and strength for these difficult days. You are in my prayers.

“ Deepest sympathy to all Celines family. I especially want to say I am so sorry to hear of the loss of Celine to her sister Fran...Fran was my made of honor many years ago but I think of her often and hope she is doing well. Fran, if you can drop me a note I would love to catch up with you. I live in Florida now but would like to see how you are doing.

“ Celine, I still can't believe that your gone. Seems like just yesterday we were eating lunch and cracking jokes. It's pretty lonely with just Val and I at lunch and your not there to join us. I will miss your sense of humor and your motherly advice on things. You were always so helpful to me and always looked out for me. Rest in Peace Celine & my thoughts and prayers are with your family.

“ Celine, you will truly be missed. I really appreciated you being my "go-to" person for questions. I loved the "What Up?" exchanges we had in the mornings. I wish I had more time to get to know you better. I'm going to miss you Celine.

“ Celine, you have so many friends that are missing you now. You have left such a hole in all of our hearts and each one of us has a remembrance of a laugh we shared with you. You always asked me, "how's the hood". You were taken away from us way too soon. You were so proud of your family, and it showed how proud they were of you. You will be sorely missed. My prayers for you and your family.

“ We are all shocked and saddened and at a loss for words. Your life was taken much too soon and your presence will be missed. You always were willing to lend a hand to help me and others. Your devotion to your family was to be admired and my thoughts and prayers are with them.

I have many memories that I will hold on to and keep you and your family in my prayers.

“ Celine, we have had many talks about the trials and joys of being a Mother, Wife, Sister, Daughter and Friend. I enjoyed your stories and learned some things from your shared experiences. I will never forget those times. In truth we are both very strong willed women and we clashed at times. Those times will forever be in my memory as well, as they showed me that you were an extremely hard working, dedicated and loyal person, particularly with your children. My heart, thoughts and prayers are with you and your family and please know that you are missed. May you find the peace that you truly deserve.

PS if they have Poutine in heaven you be sure to have some for me!
