“ As much as we mourn, we must also celebrate her life.
I feel fortunate to have had such a wonderful person as an aunt.
Yet, unfortunately life often gets in the way, and prevents us from spending as much time as we would like with those we love.
Most of the best memories I have are from when I was much younger.
Christmas and also camping at Sebago Lake were my fondest memories.
I'm sure she would be so happy to know she had so many family and friends that deeply cared about her.
I know not everyone is a believer, but speaking for myself, I believe Donna always had a place waiting for her in Heaven.
Enjoy the time you have with your loved ones, no matter how trivial it may seem.
I will never forget my Aunt Donna, and I miss her very much.
To Uncle Rick, please try to be strong.
I cannot imagine the depth of your grief, but please know you're not alone.

“ Donna was the best and most loving person in the world. You will be missed so much. Even now i want to text you and when i go to do that i remember they don't have phones in heaven. So many things will remind me of you this coming summer. Camping, bingo, girls weekend, just to call to see whats up, Rozahnia calling you to look at her booboo and you coming over to check her out. Your heart was so big and you touched so many with your love. You where a sister more then a sister in law. All my love goes with you.

“ My sincere condolences to the family and friends for your loss. Those who survive have for some time a deep hole in their hearts. Perhaps as I do you also find a measure of comfort from the holy scriptures. The account about our Lord and savior Jesus at John chapter 11 can be such a source. Not only does he give us a hope for the future when he resurrects his dear friend Lazarus but insight as to the condition of our loved ones when he says " Lazarus is sleeping". Once again my prayers and thoughts are with you at this time.

“ Donna, you were the very first friend I made when I moved here in 1970. We went all through High School together and shared many fond memories. After graduation, we continued making memories with our close friends. I recall the many laughs and good times we had, whether it was traveling, camping, or just visiting at each other's homes. Even though our paths went separate ways over the years, I never forgot those wonderful times we shared together! I never forgot YOU!! You were always tucked away in a piece of my heart and I will always remember you for good person you were. I pray that our Lord and Savior welcomes you home and one day may we all be together again. Thank you for reaching out to me in the very beginning, when I had not one friend in my new surroundings, until I met you.

“ My heart goes out to family and friends and my deepest sympathy. May you all find peace in the wonderful memories you shared with her. She was a lovely person and the world will have a void that can never be filled without her in it. It was my pleasure to know you Donna and may you rest in peace.

“ Every time we got together (just the girls), we would enjoy our chips and dip. We didn't see each other very often but when we did, we'd catch up on our families. We always had lots of laughs and I'll miss you Donna. You made a mark on life with your devotion to the nursing community. Love from your cousin Diane

Donna is my big sisters best friend, they did a lot together. But what I remember her most for is when I was 18 being prepped for emergency surgery she was that comforting caring nurse that was beside me. She did a lot of good in nursing. She will be missed. Cindy M

“ I’m so sorry to hear about the loss of Donna. I only knew her as a loving and caring nurse at HMS as she would take care of my granddaughter (McKenzie Lowe) while she was battling cancer too. She made McKenzie feel good and even made a spot for her in the office so she could come sleep when she would get tired and wasn’t feeling well. “Kenzie’s Condo”

They will be together now again and smile and laugh and if Mck needs her she will be there.
