“ Mum Mum I still can't believe you are gone. I miss you so very much. You will always and forever hold a special place in my heart. We had so many laughs together over the years. And you even comparing the two of us and how you thought we were so much alike. Over the past week I have thought of nothing but of our endless talks late at night when poor Pop Pop trying to sleep. That didn't stop us though. You were the most kindest woman I have ever known. The many times you were there for me meant more to me than you will ever know. You took me in and made me your own. I thank you so much for that. You also taught me a lot. You were such a selfless woman. Always putting others before you. I will always remember our many shopping trips and how you always made them so much more exciting. You definitely got your angel wings. Fly high with those wings. I love you than you will ever know. Rest easy Mum Mum. Until we meet again.

“ Donna lived two doors down from me on Bonnie Lane for maybe 20 years. Not sure how long, but its been a lifetime, it seems. I worked far and my boys would come home from school by themselves when they got old enough. I have one memory of when the boys decided to slam dunk basketball jumping from the trampoline and the hoop came down and split his head open. Well the only one they knew to go to was "Donnie" . She took care of my boy til I was able to get back to town, knowing they were in good hands, my frantic ride to get home was eased a bit.....When my boys were young, she would send bags of Halloween Candy or Easter Candy to them. In more recent years or should I say for all the years, we were both dog lovers, My "Baby" loved her "Winston' and now my "BeeGee' loved her Mikey and now Pete, Precious and Jemma. The minute, I take my dog out for a walk, she pulls me towards Donna's house. Rest in Peace - "Donnie". The world certainly needs more giving selfless folks like you. You will be missed. I'll never forget when the hearst carried you away, Me and Linda stood at attention as you left our Bonnie Lane. It won't be the same.

“ Donna was the most kindest, selfless, caring person that I have ever had the honor of meeting. Her love and kindness, for everyone, went beyond friendship, everyone was family to her. When we talked on the phone, and I asked her how she was doing, her response was always, " finer than a frogs hair". We always ended conversations, with, " I love you mum mum," Donna always answered with, "I love you kiddo"

I love you mum mum, I always have and always will. You will live on in my heart and memories. Rest in peace sweet Angel.

Love,

Denise & Steve

“ I wish I had gotten a chance to know Donna better. In the short time I did know her it was clear that she was a very caring woman. From the very first words out of her mouth to me she had me laughing, and the rest of that afternoon as well. She had a great sense of humor and I'm sure she will be missed by many. My thoughts are with the entire family.
