“ My Auntie Estelle was the sweetest kindest aunt you could have. And funny, funny, funny! Always there at every family gathering and always had the BEST Santa gifts!! Way back from when I was little right to all her great nieces and nephews. I can remember looking forward to her gift the most because she always thought of a fun gift and what a child would really want.

Many wonderful and delicious Thanksgiving dinners at her table. I will cherish the memories. I wish I could have said good bye Auntie - and I hope you know how much I loved you. RIP
