“ Dear Ezekiel Family,

My sincere condolences to each of you. Fred was a one of kind individual. At FDA he always made me laugh with his comments about life in general. I will miss his dry sense of humor and may his soul rest in peace.

“ Fred was a great help to me in learning the FDA trade. He was never too busy to talk to even though he must have felt like he was in competition with us "rookies." He always had a terrific outlook and contributed to everybody's morale. I should have said thank you many times, as he was a big part of my success. I am pretty sure he knew that.
