“ Dear Judy,

I remember George oh so well visiting Hannaford on a daily basis before his illness. He was always kind and had such a great sense of humor and keep us laughing. I am not sure if you remember me but I will always remember him and you fondly.

“ Judy and family. So sorry to hear of George's passing. But I know it was best for all - especially George considering what he's been going through. George was one of the most enjoyable and colorful people I've had the pleasure of knowing throughout my lifetime. I've missed him these past years. Enjoy the wonderful memories with husband and father prior to his illness. And love to my favorite cus!

“ Judy, I am so sorry to hear of George's passing. He truly was "one of a kind", and still, to this day, one of my favorite people to have ever worked with in my 11 years as an OT. Your family has been in my thoughts often through the past few years, and I will continue to keep you in my prayers. George will definitely be missed by many!
