“ Marlene, Kenny & Karen,

My heart goes out to you at the loss of your Mom. Henrietta was the Mom of all Moms. She loved you all with every ounce of her being every day of her life. She was loving and kind and funny and generous. So much life packed into that tiny person. I will always remember and be grateful for the love and special care she and your Dad showed me from the first day we met. I hope that all those wonderful and funny memories of your parents will soon help you ease the pain of your loss. Love to you all...Sharon & Bruce

“ Marlene & Ken,

The appropriate words are so hard to come up with. This was a double loss for you in a short period of time. I have always been very fond of your Mom & Dad. I felt welcome and comfortable in their home when we were younger, and I always enjoyed seeing them when I ran into them occasionally.

Henrietta was one of the warmest, nicest people that I ever knew, and she had a great sense of humor. She's at peace now and without pain. Hopefully the pain of her loss will be soon replaced by warm memories of her.

With the Deepest of Sympathy,  
Dodie
