“ My sincere condolences to the family of Jeremy Kyle. I had the pleasure of competing with Jeremy on the basketball court and the softball field. He played hard and whether he won or lost always shook your hand after the game and had a smile on his face. I enjoyed talking to him about his love for golf and his trips down south and some of the great courses he played. Unfortunately, he is gone way too soon and we will all miss him.

“ I met Jeremy on the golf course about 5 years ago through our mutual good friend Joe. I golfed in scramble tournaments with him 4-5 times a year. He was always our A player and carried us to many tournament wins over the years. He was a great guy, funny, competitive, and just a pleasure to be around. Jeremy, gone way too soon buddy and you will be missed. Keep hitting them straight and "draino-ing" those puts! RIP. Ron B.

“ Uncle Jeremy was one of the most incredible people I have ever known. I am so lost, so sad by this news. He will always be remembered as someone in my life who only showed positivity and kindness. I will miss him so much. My thoughts are with my cousins Morgan and Jordan and his wife.

“ I will miss Jeremy very much. I know how proud he was of his kids and how happy he was entering a new stage in his life. I had the pleasure of being his friend and working with him. When i was in a bad mood his sense of humor would bring me back. Jeremy loved his family and friends very much and we loved him. Thank you Jeremy for being my friend. My thoughts and prayers are with his beautiful Family.

“ I moved here in 2013 not knowing a sole. Rerouted my entire family to chase a job. The very first person I connected with was Jeremy. His personality was charismatic, his energy was high and I immediately knew I liked the guy. We remained friends and we were recently excited about a new opportunity together. We texted during Witicha bball games or Syracuse. Jeremy could literally make a friend anywhere he went. He was that kind of guy. My family and I will miss this great friend. Apparently God needed him more than us and he will always be remembered.

“ You and Joe called me one snowy day at the VFW asking if we were open! You two came into our lives with amazing charisma, funny laughs, and none stop ribbing on everyone! We loved you for it all! Jeremy you leave a whole in a lot of hearts! You will be missed by so many! RIP my friend!

“ I'm rarely at a loss for words, yet I find myself searching for something to say. How do you summarize hundreds of mundane conversations that turned into friendship? We were friends the first time we talked on the phone and I cared for you like a brother by the end. I have calendar reminders popping up of all the things we were supposed to do this week together and I can't delete them. I'll never have someone I truly enjoy selling with as much as you - whether it's rolling into the airport Marriott with a cooler of brews, or talking at length about how good cheap beer can taste, to sharing war stories of appointments gone right and those that went sideways. Rest easy my friend, my brother. You are missed.
