“ I worked with Jerry for many years in the OR at LGH and not a day went by that he didn't make you laugh and put a smile on your face. Jerry was a kind, caring and compassionate man. He was always good to the staff, patients and physicians. Jerry was an American patriot who served our country in "The forgotten war of Vietnam" and even though he was a POW, I am sure his zany sense of humor got him through that terrible time in his life. Jerry you will be missed and thought of often when I think of the "Best" people I have had the honor and pleasure of knowing and working with. "God Bless You Jerry!" Dave Kimball CRNA

“ Jerry was much loved and respected at LGH. He was always cheerful and smiling, making people laugh. I was amazed at the close friendship and love Jerry and Maureen shared and the courage they had in facing Jerry's difficult illness. Maureen provided the best of care and Jerry took care of her too to the best of his ability. Dear Maureen, you were my mentor and confidant at work and I hope to be my friend for life. Dear Kim, I am happy to have reconnected with you at Danceworks and got to meet your beautiful family. I can just imagine how sad you feel now as I lost my Dad one day after you lost Jerry. (kind of empty and numb). My thoughts and prayers go out to you and I know you will stand tall and go on with your lives holding Jerr'ys love inside you. Mary Ferguson
