“ Tom, John,

I am so sorry to hear about Jo-Ann's passing. I worked with Jo-Ann at Digital for 18 years - she was the most sweetest and caring woman I ever met. I'm so happy to have known her because she brought great joy to all who knew her. She talked about both of you all the time and you could tell how much she loved her family and her kitty of course.

I'm sad that I never got a chance to contact her before she moved after Digital was sold. The last time we got together was go blueberry picking in Greenville at a friend's house - we had a blast. She was so funny. My heart goes out to both of you.

“ Jo-Ann was a woman full of wisdom, beauty and grace. I will always cherish our friendship. She will be remembered for her flare of style and the scent of her perfume. It is my sincere hope that you find consolation in knowing that you were an excellent caregiver to her in her time of need. It couldn't have been easy for any of you. May her soul rest in peace - Linda Rioux
