“ I am so sorry to learn of John’s passing. I knew Tracey, our children were in school together, and I was honored to be able to help to take her to appointments during her battle with cancer. She was such a sweet, kind person, and she shared many happy stories about her family during our drives and office waits. John took such good care of her and she lit up talking about him and her sons. I remember how gracious John was to me for my help, even in his deep grief. I pray for their sons, their friends and family and for John and Tracey. May they Rest In Peace.

“ John introduced himself to me on my first day at CourtSmart and my first impression of him was that he was personable, caring, a proud husband and father, and loved his work. For the next 13+ years I talked with him every day, and my first impression was true and lasting. He was a good man with a good heart. My condolences to his sons, family and friends. Rest In Peace, John.

“ I have known John and his family since he was a little boy. We spent many happy times together going back and forth between Watertown and Tewksbury--birthdays, cookouts, Whalom Park, picnics, special occasions, etc. Blessings to all Ann and Al (and Mike)
