“ I am so sorry for your loss. My sister Gail Houle worked with Jolene and always shared funny stories of their workday. I had the pleasure of meeting Jolene quite a few years ago on a day trip to Atlantic City. She was very sweet. My prayers go out to her family and friends. May God rest her soul. Anna Wood

“ I am so incredibly sad to hear of Jolene's passing. I worked with her for years and she has always been such a kind, generous, warmhearted, loving and funny person, willing to give anyone the shirt off her back. We spoke on the phone often and I sorely wish I had made the time to visit her one more time. My heart goes out to her family whom she loved so much and spoke of so often and you are all in my thoughts and prayers. Jolene will be very sadly missed.

“ I've known Jolene and her family for years. As a teenager I took care of Dee Dee and Billy in the mornings before school. I'm ashamed to say I wasn't the most reliable in those days. Nevertheless Jolene always treated me with kindness. She was a fantastic person and I thank God her suffering has stopped. Prayers to all that loved her.

Love,
Donna

“ I worked with Jolene and loved her to pieces. She always talked about her family, husband and kids. I visited with her last year and again it was all about family. She was such a kind and giving person.
I will miss her
