“ John & I were very sad to hear the news about Judy. She was a godsend to us and took care of our two children Bryana and Nick a long time ago. She was one of the sweetest people we knew and we are so glad we had the chance to have met her. Our thoughts and prayers are with you. Sincerely, John and Brenda Rutherford

“ Judy and I shared many wonderful times from working at Stop and Shop, vacationing at West Yarmouth at the Cape and our big trip driving around Ireland where I met my husband Gerry. Judy helped me with wedding plans and was one of my beautiful bridesmaids along with my sisters. Judy met her Gerry and asked me to sing at her wedding. We shared some wonderful times and then our children (her two girls and my four boys) got bigger and we got busy and didn't see each other. Thankfully Judy's Mom got us back together at her funeral. We visited my Mom, went shopping with my Granddaughter, by ourselves and went to Friendly's. It was like reuniting with my sister! Judy I know you are at peace and will be watching your Granddaughter and family from an easier place. As you said, "We'll stay together now!" We will, you'll always be in my heart. Love ya always!
