“ We all grew up together, and though, we may have moved elsewhere when we became adults and went in other directions in our lives, we will always remember those whom we shared fun, laughter and tears. These are the friends who helped us grow into who we all are today and Judy was a good influence on all of us. Jeff and I had some wonderful thoughts of Judy last evening remembering the Toga party and other great times. We will truly miss her but we will never forget her! All our love to her family.

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Leo Buscaglia

I couldn't have said it better. My thoughts are with you at this very difficult time.

“ My memories of Judy span forty years, and all of them are pleasant. I never saw Judy without a smile on her face. Be free Judy, be free.
