“ Each summer my family drove to NH to spend, what seemed like the entire summer, with Aunt Louise, Uncle Lamberto and cousins. Some of the best memories of my childhood...swimming, riding in dune buggy, walking to the Piggly Wiggly for candy and visiting Mon Oncle, Ma Tante and Laura almost daily it seemed. The smiles of joy that always greeted us, the various porch rocking chairs, the rice crispy treats, the interest in our lives. Laura joins so many of our beloved in heaven that are thrilled to see her! "She's gone to her reward" as they say in the South. Jesus has her now!

“ I will always remember the birthday cakes she made for me when I was a kid. What a special treat, graham cracker and chocolate whipped cream and her rice krispy treats were the best.

She was always happy to see us and hear about our lives. She loved our cats, especially Goku, our big double thumbbed black cat. She was always excited to hear Cedric play piano. So we arranged a few private concerts for her, which she really enjoyed. Once when the kids couldn't come to the US to visit, Cedric and Cassy made her a music video. I wish we had thought to give her one more concert over Skype. Rest in peace Laura. Today is your day!

“ Growing up next door to Laura was a special treat. She will be fondly remembered as a friend to our cats.. She loved feeding them roast beef , my kitties would sit on the porch step every day waiting. She loved going to T-Bones for her haddock dinners. She always asked about how our family was doing. So many people came to her 100th birthday part. Heaven has a new angel.
