“ To the family my deepest condolences. There is much pain for the survivors who have loss a dear loved one. The holy scriptures can give much comfort at these times and hope for the future. Our Lord Jesus himself lost one of his dear friends called Lazarus but in John chapter 11 Jesus resurrected him back to life showing the power he had received from his father and gave us a glimpse of what he will do in the future under the kingdom arrangement. So there is hope to once again see our loved ones we have lost. Once again please accept my thoughts and prayers.

“ Larry you will be missed. You and Jim had a lot of good times together. Hope they have a lot of ketchup in Heaven. You bought Karen her first sunsuit when she was born, we always talked about that when we met. We have all good memories with you.
Deepest sympathies to your family. Love and Gods speed.
