“ Hi! I was just surf'ing around for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may not do some of these special tricks I saw now, which are easier for bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;

“ My Mom and I would like to send our deepest sympathy to Celia and the entire Maille family. It just doesn't seem right that a little girl I used to babysit should be taken away so early in life. Our thoughts and prayers are with all of you at this difficult time.

“ To the entire Maille family, who through my days of living in the acre were like a second family to me, I so very, very sorry and saddened to hear of Lisa's passing. So many fond memories came rushing back, the Bartlett softball field (Go Beavers!), Clare street, Pine Acres camping and horseshoe tournaments, St. Joseph High School. All these memories I owe to Lisa who was my best friend and confident and though we haven't seen each other since a brief encounter at the Dracut Civic Club, she has always been in my thoughts. Lisa is truly a special person who will always have a special place in my heart. My deepest sympathy goes out to all of you. Love and prayers, Pam

“ Lisa's Love So Wonderful

A person of giving
This I truly know
From my own experiences
I remember this so

She gave so much
Of her life we know
Truly why it's so hard
In letting her go

Running her horseshoe tournaments
She was a class act
We who entered them
Can attest to that

Having met Lisa Maille Hume
An honor to know
I've learned from her
How unselfish love grows

Always With A touch Of Love

“ My thoughts and prayers to all of Lisa's family.

I've worked with Lisa for a very long time and no words can fully express what she was to everyone who knew her; she will always be one of the best people to have graced my life!

Hold tight to memories for comfort, lean on your friends for strength, and always remember how much you are cared about.

Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

May the love of those around you help you through the days ahead.

My deepest sympathy.

“ I am deeply grieved at the loss of my dear friend and co-worker. Her advice and quick wit allowed me to do the best in our work together. I will never forget her kindness and professionalism. Please accept my condolences to her husband Scott, and the rest of the family. There are no amounts of words that can lessen the pain of such a bright life cut short. I will always love her for reminding me of my true course in life and to always believe in myself. Her legacy of selfless service is an inspiration to all. Goodbye my friend, till we meet again...
