

Lynn Burtsell

May 30, 1967 - November 4, 2019

Lynn Solange Burtsell, 52, died with her family by her side on November 4, 2019 in Nashua NH after a courageous battle with cancer.

Lynn was born on May 30, 1967 in Nashua, NH daughter of Renette (Duquette) Beaudoin and the late Laurent Beaudoin.

Lynn graduated from Nashua High school, class of 85' and went on to work as an office manager for Visions Personal for most of her career but what brought her the most joy was that for the past 3 years she worked in the dining department at The Huntington retirement community in Nashua.

Lynn enjoyed great conversation in the company of friends and family around the campfire. She enjoyed the solitude and serenity of the ocean and spending time gardening. One of her favorite things to do was to ride the back roads of New England on a motorcycle searching out the best little diners with her husband Todd.

Lynn was a mother and friend to everyone she met. Whenever she walked into a room it lit up from the never-ending joy she radiated. Family was always most important, and she spent her life being a Daughter, Sister, Wife, and Mother. Being there for the family she loved was something she worked hard to make a priority in her life.

Lynn is survived by her husband Todd Burtsell, Daughter Olivia Burtsell, Mother Renette Beaudoin, and two brothers Rene Beaudoin and wife Francine, Yves Beaudoin and Wife Karlene and several nieces and nephews and dear friends.

Visiting Hours will be held on Friday November 8th from 4-7pm in the Dumont-Sullivan Funeral Home, 50 Ferry Street, Hudson. A Funeral Mass will be celebrated the following morning beginning at 10am in St. Louis Church, 48 W. “ I had the pleasure of meeting Lynn while we attended catholic middle school together. She was always such a wonderful and friendly person who beamed a bright light. We lost connection when we went to different high schools but we recognized each other right away while she attended Olivia's middle school Open House one day. Turns out our son and her daughter were the same age. Knowing she fought to beat her cancer for so long was inspiring, yet it was certainly hard to follow her journey knowing how crippling it was for her, and she always seemed to try to persevere with a smile and hope. Surely this is a tremendously difficult loss and utter sadness for all who enjoyed her in their lives. I trust she will rest in eternal peace, and especially with her father. I hope that all the wonderful memories with her in this life will help to comfort everyone on the most difficult days. Lynn was an absolutely beautiful and wholesome person.

“ I met Lynn while working together at The Huntington at Nashua. Lynn truly enjoyed working here and took pride in every aspect. She loved her work family and treated them just like her own. She had the utmost respect for our residents and only provided high quality service. She is dearly missed and will not be forgotten. Thank you Lynn for your service and friendship.

“ I've known Lynn for 44 years as she lived next door to me. She was 9 years old when I met her. We had fun times as friends growing up. She will be greatly missed by everyone who knew her. May she R.I.P. with her dad.

“ Lynn was one of the best people I have known. She and I worked together for well over 20 years and she was my "work wife". Lynn took great care of all of us in the company and especially me. She was kind, thoughtful, energetic and she loved her family with all of her heart. Even in her last days she keep me going and believing she would be this for a 3rd time. The world has lost a wonderful person and heaven has gained an Angel. I miss her terribly and my prayers are with Todd, Olivia, her Mom and the rest of her family and friends. My deepest sympathies,
