“ Dad, I miss you so much. Words can not describe the emptiness I feel inside. You were the best father a daughter could ask for. I hope you are at peace now and enjoying the things you couldn't do the past 13 years. I will honor you every day and try to still make you proud. Love you daddy.

“ Mark, I am so so sad that i wont get your smarty britches comments anymore. You always made my Mondays better because you were the start of my week. It was a hard decision to move on to a new adventure because it meant I wouldn't have my Monday mornings with you anymore.

I am glad that you gave as good as you got and never let it change who you were.

The world is a lonelier place without you in it.
