

Marthe Bedard

November 25, 2018

Marthe H. (Schilling) Bedard of Nashua, NH passed away Sunday November 25, 2018 surrounded by her family at the Community Hospice House in Merrimack, NH after a brief illness.

Marthe was born to Evariste and Berthe (Therien) Schilling in Montreal Canada on May 30, 19?? (a woman never divulges her age) where she lived through her early 20's until moving to the United States to attend school at St. Joseph Hospital to become a Medical Laboratory Technician. There she met, and eventually married, Albert Bedard with whom she celebrated 29 years of marriage prior to his passing in 1984.

Marthe worked as a Medical Lab Technician at St. Joseph's Hospital for several years, even assisting in a leukemia research study, until the birth of her children. For a time she worked as a translator for Rosetta Stone. She eventually returned full-time to the workforce working in the billing department at Community Council of Nashua until her retirement.

Though she eventually became a naturalized citizen of the United States, Marthe never lost her love of all things French and took great pride in her mastery of the French language. She loved when people spoke to her in French - so long as it was the "Parisian French". She relished every opportunity she had to visit Canada and even France with family or friends.

Marthe was very proud of all her children and grandchildren and would speak of their accomplishments (some times embellishing them a bit) to anyone who would listen. She was a "hands on" grandmother, given the special name of "Gui", who enthusiastically attended recitals and athletic events (even those she could not see) and could be persuaded to do almost anything with her grandchildren - and was even recently caught bouncing on a trampoline with two of them!

Aside from her family, Marthe had a large circle of friends and was out and about with

them almost everyday remaining very active in her community. In spite of her visual impairment she maintained her own apartment and relished her independence.

Marthe was predeceased by her parents and her husband as well as siblings Madeleine Schilling, Claire (Schilling) Guinan, Pierre Schilling and Therese (Schilling) Larochelle. She is survived by two daughters, Madeleine Bedard Ryan and her husband George of Glen, NH, Marie Bedard of Franklin, NH, a son Billy Bedard and his wife Joyce of Candia, NH. She is also survived by grandchildren Kristin Bastille (and partner Mike Testa), Jonathan Bastille, Grace Ryan, Timothy Ryan, Taylor Tucker, Gabriela Bedard and Kathryn Bedard as well as her cat Minou. She was a long time friend of Bill W.

Visiting Hours will be held on Sunday December 2nd from 5-8pm at the DUMONT-SULLIVAN FUNERAL HOME, 50 Ferry St., Hudson, NH. A Funeral Mass will be celebrated the following morning beginning at 10am in St. Kathryn's Church, 4 Dracut rd., Hudson. “ Allo Marthe,

Je ne viens pas pour te dire "Adieu" mais pour celebrer ta vie. Indeed there is much to celebrate about your life. You were truly a woman of independence, great courage and strength. Yes, there were many tears along the journey; but having shed them, you moved on, with a firm faith in your God and an admirable hope that you generously shared with so many of us. Your family can remember your journey on earth with pride.

Thank you also for sharing your sense of humor, your love of reading and your enthusiasm. You have made a difference in many lives.

Ce n'est pas "Adieu" mais "Au revoir!"

My deepest condolences to your family, friends and all Bill W.'s people that you brought so much happiness, joy and unconditional love too. I am truly grateful for the times God gave me to call you "Une Belle Petit Femme."

“ Marthe... Though I will miss you, I don't feel you have gone. Your brilliant mind, luminescent personality, whimsical stories, radiant smile, warm temperament and enormous heart, which never stopped thinking of others and asking after those whom you hadn't seen lately, will remain in my heart forever. You were so excited to tell me about your trip to Myrtle Beach, and how seemly it was that the name of the airline was "Spirit Air". I know your spirit is now soaring higher than any rocket. Your sight is now infinite. I'll treasure the Emmet Fox book you gave me, and all the ideas we shared. You are part of my journey and will be forever, Love, Bobbie
