“ Sadly I just learned of Aunt Jo’s passing. I have fond memories of listening to her playing piano and chatting with my mom for what seemed like endless hours during our visits. Last time was shortly after my mom’s death, when my dad, son, and I had the privilege of spending time on Lake Winnepesaukee with her, Diana, and Ed. Love and prayers to all.

“ Cynthia and Richard - Means the world to us all that you took the time to write this comment! I too share wonderful memories too numerous to recount of your collective time at the Meadows. Thank you so much for being the best neighbors in the world to our beloved Gram. Much love and gratitude from the whole family! -Eddie, Jr.

“ Jo was our next door neighbor in Stratham for over 30 years. We were both the first to move into our new development and became instant friends. My husband and I shared many wonderful visits and lots of laughs with Jo. We had the pleasure of meeting some of her close family and looked forward to the family updates. It was reassuring to know we were there for each other. We admired Jo for staying active and involved and her love of travel. We feel very fortunate to have known her.
