“ I know we didn't see each other much as we all got older but you were such a big part of my early life. Living close by, it was fun to have a bunch of cousins to do things with all the time.
You were definitely an original who spoke their mind and had fun doing it. Your spirit is always with me!

“ To, My Wonderful Mother Inlaw. You made me feel like I was one of the family, You taught me things even my own Mom could not have, You made many things for me, We had so much fun up at camp, some were a little embarrassing for me, but funny the same. Like the time you and me will never forget, I know you have cheese Mary, as I was sitting on the floor. The times we sat on the deck telling jokes and laughing all night out there, or the bon fires with some shots to warm us up from the cold, or the horse shoes we played, or just sitting at the table shooting the breeze, and all of the family every Christmas sitting around and enjoying each other's company Celebrating. You will forever be in my heart and soul. Till we meet again.

“ I do not have enough words to express how much I love and respect you. You taught me so much about life, love & laughter. I have passed stories and memories of you down to my children and grand children. You will always be one of the best parts of my heart and soul. I am blessed for having you as my Aunt and friend; you mean the world to me. My heart aches for your family and all that love you. There will never be another person that could take your place in our hearts. Like we always said "I love you to the moon and back!" Spread your angelic wings and we will meet again when the time is right.
