“ Mr. Militello was a huge presence to me and all of my fellow students at BG in the early/mid 1980s. He was incredibly kind and empathetic to students and so helpful as a guidance counselor as we all struggled with the pressures of young adulthood, school, family and the future. Please know that he is with the angels now.

“ To the family of Michael my condolences of your loss. There is still much pain for the loved ones left as survivors. I often find help and support as you may also in the holy scriptures. Jesus our Lord went through the same pain when he lost his good friend Lazarus, it actually says that Jesus wept over the loss helping us to realize how painfully this can be. The account can be found at John chapter 11, this has given me comfort as it may to you all too. Soon Jesus will put an end to death as he has promised and bring back our loved ones from the grave. Once again my deepest sympathies on your loss.

“ As with so many others, I had the pleasure and honor of having Mr. Militello as a teacher at BG... He was such a wonderful man. I was thrilled when Mr M was able to attend our BG Class of '76 cookout last summer, as were my classmates. It was a fantastic day of sharing great memories....

My thoughts and prayers to all the Militello Family, friends and loved ones....

“ A wonderful teacher and person. Still one of my favorite teachers while attending BG in the late 70"s. I still appreciate to this day how he interacted with students. A very special person who enriched my life, and will be forever appreciative for having him as a teacher.

“ My condolences to your extended family. I'm one among so many thousands of students Mike Militello Sr. touched over his exemplary career, in my case at Bishop Guertin High School. I know firsthand how he left an indelible impression on so many of my fellow students as a fabulous teacher and guidance counselor who passed on his contagious thirst for knowledge and introspection. Please accept my warmest thoughts and prayers at this most difficult time.

“ I went to the 6th game of the 1975 World Series (the one where Fisk waived the ball fair). I had a Psychology test the next day. The next morning walking into Mr. M's class he said hey Steve are you ready for the test. Of course I said sure. He says must have been hard to study at the Sox game, saw you and your dad on TV. Then he gave me a wink and that forever smile he had. He was the coolest teacher ever! Rest In Peace Mr. M

“ Mr. Militello was a huge influence in my high school career. When I lost my dad early into my time at Bishop Guertin, he was my go-to guy. His door was always open to me, and was open to other students who were struggling with grief. I was saddened when he had to leave BG, because that meant I would have to complete my time in high school without him. He was endlessly kind, and I will remember him fondly for the rest of my life.

“ Some of my favorite memories at BG include the many times Mike came into my classroom or into my office so we could collaborate on how to help a student. Over time those meetings became quite regular and they ultimately would lead to proud talks about our grandchildren. As much as Mike cared for his students, his most important counseling was for his children and grandchildren. It was an honor and a privilege to minister with such a caring, loving and genuine gentleman, who we call friend. Mike, may you rest in the peace that you truly deserve. Ametur Cor Jesu! Bob Goyette

“ My mom taught Mike's son and Mike taught both my brothers in the early 70's and I had the pleasure of working with him for 18 plus years. Mike was truly one of the good one's . Thanks for your kindness and guidance over the years. You will be missed my friend.

“ Please accept my sincere sympathy and prayers in the passing of Mike Militello. He was indeed an inspiration to me and I know to many of his colleagues. He was most accepting and supportive of all he met, gentle and kind. He was a true Guertin man all the way! May he rest in peace and may the angels lead him into Paradise.

“ I knew Mike as both a teacher ("Mr. Mello-tello," an easy-going teacher in a very high-powered, all-business-like school in the late '70s) and as a colleague. What one saw was what one got...a gentle soul of a man who thought issues through in a respectful and dignified manner for all involved. I am a better person for having known him.

May he rest in peace and rise in glory.
