“ My sympathies to your entire family. As a friend of Lilli Walsh, Millie is known to me through Lilli's wonderful stories of growing up with her "Aunt" Millie's friendship and guidance. She was a truly wonderful woman.

“ Norm, my deepest sympathies for your lost, thank God for your strength, which helps all of us that know you, be a little stronger in our time of need. your mom must of known that very well because she passed those good qualities to you. God must have a very special place for her, she along with you have suffered enough to last a life time.

May God bless you and continue to give you the strength you need along with your family to one more time face what we all fear the most " the lost of a loved one"

“ Bob & I send our deepest sympathy to all of you. Over the many years since you welcome us as part of your extended family, one of the many things we admired about Millie's family is all the love & devotion she recieved on a DAILY basic from her Sons & family. You all should be very proud of this because it showed in her when she looked at all of you. Remember this and that every day was a gift.

“ Dana, Tommy & Nancy, Norman & Jan, Kristi & Holly .. our heartfelt sympathy to you and your families.

We have so many good memories of Millie and loved so many things about her - her quick wit, her spontaneous laugh, the way she always showed interest in what we or the kids were up to, the many short conversations just catching up when we saw her, the way she treated Bika as one of the kids (the stories she would tell!!), her dancing up a storm at so many celebrations, her stories, sharing her dinner (with me)when she was in the hospital, I can go on and on.

She will be missed and forever iin our hearts

Sending hugs
