“ Gram, you were the greatest. Reading everyone's condolences and relating their words to my time with you bring me tears of joy. You are so dearly missed by all. Some comfort comes in knowing that they'll be lots of food on the table when He calls for us one day too:) Always in my heart. Love you.

“ Mom (+ Dad),
You are truly missed by all of us everyday. We thank you both for raising us in such a warm, comfortable home filled with love. I hope we carry on the Bukartek value and traditions that we were taught by you both. We are comforted in the fact that you two have become a couple together again. I ask that you pray for us all and send us your good graces from above. I will strive to do my utmost so that we remain a close and loving family. We love you and miss you terribly. Love Joe

“ My sincerest sympathies and condolences to Muriel's family.

I served as an official Court Reporter for the NH Superior Court in Manchester for 27 years and made the acquaintance of Muriel during my work there. She was always a very pleasant, kind, congenial, thoughtful and professional person to work with and made life at the courthouse a bit more cheery when she was working.

I am so sorry to hear of her passing.

“ To the Bukartek family I want to extend my deepest sympathy for the loss of your mother. My fondest memories of Mrs. B are of how she always had a smile on her face and of her laugh. Always willing to fix us something to eat it didn't matter at what time of the night it was. Saying that we needed to eat something we were growing boys. My thoughts and prayers are with you all. “ Dear Jeff and entire Bukartek Family. So sorry to hear about your loss. Our hearts go out to you. Mrs. B. opened up her house and heart to her childrens friends making it a joy everytime we went over. People migrated to that house for a reason. When I think of my childhood my first thoughts are of all the things we did at 95 Appleside Drive and Mrs. B. played a huge role in that. You raised a great family Mrs B.. Rest in peace.

“ Jeff, Jay, Joe, John, Jim, & Debbie, I have not the words to say how I feel about the loss of your Mother. I loved her as such a dear dear freind, and I would do anything for her whenever she would ask me, and then some. She and I have some wonderful memories, together...and all the work we both did at the house in Nashua, and all the fun times we had together...even when we went out together....She was always so much fun to be around, and we had many great laughs...I am going to miss her so much....I can only imagine how all of you feel. She loved you all so very much... I was absolutely thrilled she could come to my wedding in September. Eleanor & Tom..I know how much you will miss her also.

“ To the Bukartek Family,
Please accept our condolences for the loss of your mother Muriel.
She was such a fine person and we all thought the world of her and will miss her terribly. Her generosity, warmth and humor will be remembered by everyone in our family.
We're comforted by her passing only because it has put an end to her terrible suffering. Upon hearing of your mother's passing our young daughter Julianna offered to bring her a "comfy" nightgown and some stuffed animals to make her feel better. We hope you all can take comfort in knowing just how loved Muriel Bukartek was by those who only knew her for a few years.
I offer these words on behalf of your mother as I think you will agree that they capture the essence of her spirit.
Remember Me

Remember me when roses bloom
And Spring returns again ---
For I am ever present in your midst
In the dawn and in the wind ---

You mustn't think I've gone away
For good - Instead remember me
The way I was in better days
The way it used to be ----

Remember me as I am now
Alive, at peace, and free ---
There is no place for sorrows past
Is just a lost memory ----

For life derives its' purest joy
In living day to day ---
Follow what I've taught you
And REMEMBER ME, this way

May your grief be brief and your comfort everlasting.
If we can assist you in any way, please do not hesitate to call on us.

“ Joe,Jim,John,Jeffrey, Jay and Debbie

I was so sorry to hear of the passing of your mother. It's been along time since I've seen all of you but I will never forget the times we had growing up together at your house with your mother and father. I have so many fond memories, all the laughter and fun we had. I loved your mother like she was my own mother, and she was a second mother to alot of us. I was with you all when you dad died but unfortunately, I am traveling and not able to be with you all for your mother. Please know I love you all and think of you all and wish I could be with you during these tough times. As luck would have it, I ran into John this past summer in San Antonio and he caught me up on everyone's whereabouts. Seeing him brought back great memories and we hugged each other after he met my family and we both had tears of joy. I can't remember how many times I would walk up the stairs at your house, after a Bukartek party, to see your mother and father in the kitchen and your mother would say to your dad, look what the cat dragged in.

You are all very fortunate to have had a wonderful set of parents.

Keep the Faith and know that I will never forget any of you. My heart goes out to all of you.

I love you all and miss you
