“ Dear Monica, Kirk, Arlene, Susan and Ricky

My sincere condolences to all of you at this difficult time. My heart aches for you. I have known your mom for 48 years, wow that is crazy as I think about that... She was like a second mom to me as we were growing up since I spent all my time there if I wasn't at my home. She welcomed me with that beautiful smile every time. She was the best friend to my mom for all those years and I thank her for that. I am sure our moms are chatting up a storm as they have many years to catch up on. May you hold onto all the wonderful memories of Muriel to carry you through the days, weeks and years to come. I am sorry I am not able to be there with you all but know I am praying for you and thinking about you in the days ahead. Rest in Peace Mrs. Thibodeau
Love you all,
Ginia

“ My most profound memory of the loving and accepting woman Muriel was happened many years ago when Jeffrey was in the hospital and his Dad was overseas. Her love transcends time and space and was clearly evident that day. She has touched our lives forever.

“ I have some fond memories of Matante when I used to babysit for her back in the 60's when Uncle Charles was working in Van Buren, Me. She was always so kind and pleasant. Also enjoyed communicating with her through Facebook.

I wish to extend my condolences to all her family. My thoughts and prayers are with you all, Love, Nancy (Dionne) Michaud

“ I have tons of memories of matante, from pool parties, to all of her encouragement on Facebook just when I needed them most, but the most precious memory I will have was our last phone call on the day before she died. I got to sing a couple old hymns to and with her. It was one of the greatest honors of my life. Thank you dear cousins for including me in this precious time.
My love, deep sympathy and prayers are with you as you journey through the coming week and months. I know that your mom will be ever present with you.

“ Muriel was one of my favorites at the bank. She was always pleasant and never a harsh word about anyone. It is a sadder place without her.
