“ Jack and I were planning to see you in person this evening, Ziggy and Family. As he had to take me to an appointment earlier, he wasn't able to get me out to be with you. We are so saddened by the loss of a dear and sweet person, who cared for us too. I can never forget the sadness I felt few years ago at Easter. Pat sent you over with a little Easter basket, not just with jelly beans, but with colored, hard boiled eggs. The caring brought me to tears, and yet I was filled with warmth. All the remembrances for Christmas, Easter, and my birthday have warmed me. And, the baked goods and pizza as well. She was caring while she was handling all that she was going through. She will not soon be forgotten. And you, big guy...don't stay away! With caring and love, Vickie and Jack,
your neighbors

“ "Natures first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf,
So Eden sank to grief.
So dawn goes down to day,
Nothing gold can stay.

Robert Frost

You are always and forever golden, Pat
