“ Tony, Tim, Mel, and Michael, Words cannot even express the sadness.... Incredibly surreal that Uncle Ray would take his journey 1 day before Auntie Gretchen. I have nothing but loving memories of our days in the sun at Hampton Beach, our winters sledding at Greenwood Cir. and all the laughter and shared love between us... I would like to think that Uncle Ray knew that Auntie Gretchen would need an escort to heaven. I can't think of a better choice... May they both sit on all our shoulders through the joyful moments of life and the valleys.... I have such love for all of you and will be with you today on this difficult one and on the journey ahead.... Kris

“ I'm so sad to hear of Mr. Dumont's passing. As a longtime parishioner of St. Pat's, I know what a highly respected and regarded man he was, and what an integral part of the parish. What a wonderful legacy of service to our parish he has left, and a wonderful example of living your Faith. May God bless and console you all during this difficult time.

“ Dad,

There won't be a day that passes that I won't think about you and miss you. You were my guiding light, my beacon. At all life's stages you were available: from laying on the couch on Saturday mornings watching Bugs Bunny with us, to helping us during our most needy times as we entered adulthood. You were always willing listen, offer advice and lend a hand. You appreciated a good laugh, good food and family. Although no-one is perfect, as a father, you were pretty close.

I love you and miss you dearly!

“ My condolences to the family and friends of Ray; a very quiet and dignified man with a calm and peaceful disposition, Ray was an outstanding insurance professional and manager for St. Patrick's. He was so happy to work with his beloved cousin, Fr. Martin Kelly, at our parish and has contributed so much to the smooth operation of St. Patrick's. Ray did some insurance work with me several years ago and it was my pleasure to have such an accomplished and intelligent claims person associated with my firm.

RIP, Ray.
