

Robert Edward Camara

July 5, 1943 - November 25, 2017

Merrimack—Robert Edward Camara, age 73, passed away Saturday, November 25, 2017, at St. Joseph's Hospital in Nashua from heart failure. He was born in Hudson, MA, on July 5, 1943, to Daniel and Dorothy (LaJoie) Camara. He married his longtime friend, Kathy Knight, on February 21, 1975.

Bob was a member of The Church of Jesus Christ of Latter-day Saints where he served as a High Priest and also as a member of the Bishopric in the Merrimack Ward (congregation) for a time. An accomplished carpenter, builder, and craftsman for over 60 years, Bob started up different businesses such as "The New England Craftsman" and "Decks-R-Us." He was featured in the NH Magazine for his fine workmanship on many homes and projects.

Well known for his love for others, Bob spent many years as Assistant Scoutmaster with the Boy Scouts of America. He taught Sunday School to young adults and gave his time and talents to Habitat for Humanity, helping them build and remodel homes for the less fortunate. He loved fishing, hunting, and had a particular gift for archery--winning many awards at national archery competitions. Many will remember him dressing as Santa Claus on Christmas Eve and handing out gifts to the children.

Bob's booming bass voice, good humor, and sincere kindness will greatly be missed. Bob had a deep and abiding testimony of his Savior Jesus Christ and experienced the great change of heart this knowledge brings. He knew that after death he would be reunited with those who had gone before him and that families can be together forever.

Bob is survived by his wife Kathy, twin brother Ronald, sister Dorothy, daughter Cathy, grandson Scott McCarthy, and nephew Dan Camara.

Please join us as we celebrate his life on Sunday, December 3, 2017, at 3pm at The Church of Jesus Christ of Latter-day Saints (110 Concord Street, Nashua). A brief period of visitation prior to the remembrance services will be held from 2:30-3pm.

“ Bob Camara was a child molester and rapist and the world is a better place without him. He will rot in hell for eternity for his what he has done.

“ Bob Camara was a great man. He was one of my scout leaders who always was about doing good. He built a chuckwagon that we pulled on our annual chuckwagon derbys and later a dogsled that we would pull through the snow on our winter camp outs. He was always around with a smile and a joke and had a knack for looking out for those kids who were on the outside and found a way to include them in the group. As I got older I worked several summers for Bob as what he called a lug. My job was to lug stuff here and lug stuff there.
I learned from Bob and Ronnie that there was no place for shoddy workmanship and remember that he used to have us sign our names on an unseen portion of the work that we did to show that we took ownership and pride in our work.
I remember how he would teach us how to do things and give us opportunities to learn and grow. I remember how he was good and kind to his employees and brought us cold drinks or food and paid us even when people may not have paid him. The world may have lost a good man in Bob Camara's passing but heaven is where good carpenters like Bob belong.

“ Dear Camara family, I am saddened to learn about Bobs passing. I knew him as a customer in Milford for many years. We loved to call him “Bob the Builder” and enjoyed seeing his smiling face and sense of humor. Heaven has gained a beautiful person who will be missed by many.

Sincerely,
Jennifer Hagerty
