“ I only knew him for a short time but I got to witness his kindness, generosity and humor first hand as I was lucky enough to spend some time with him and his family at his camp in Litchfield Maine. He was doing a masterful job manning the grill and preparing a delightful meal for all of us. It was a beautiful day, A beautiful place, in beautiful surroundings with beautiful people. It may have only been a short time that I knew him but his kindness, hospitality and character will not be forgotten.
