“ To the family of Mr. Tate as I called him my condolences. I lived just around the corner on Riverside ave. from him. A very nice man that often we spoke briefly as a went off to work. I often receive comfort from the holy scriptures when at a time like this. I like the account at John chapter 11 when Jesus wept at the loss of his good friend Lazarus. Jesus helps us to see the condition of those who have passed when he said " Lazarus is sleeping" no doubt this can be comforting plus the fact that Jesus has been given the ability to resurrect those in the memorial tombs. Once again my prayers and thoughts are will all the family at this time.
