

Rosamond Stott

April 24, 1935 - May 4, 2020

Rosamond Dausey Stott, 85, of Nashua, NH, died peacefully at home on May 4th, 2020 after a long battle with Alzheimer's disease.

Born April 24, 1935 in New York City to George and Margaret Dausey.

A graduate of the College of New Rochelle in 1956, she began her career in Human Resources at GTE Information Systems and later DEC, Dell and HP from which she retired in 2001.

Being a lover of the dance, Rosamond was actively involved with the Boston Ballet. As an avid traveler, Rosamond and her husband had visited more than 30 countries.

Famous for her keen wit and beyond infectious laugh, she loved a sense of humor.

A 17-year cancer survivor, Rosamond was a staunch advocate and supporter of cancer research.

Rosamond was a member of Nashua Country Club where you could usually find her on a summer afternoon at the pool with all her grandchildren.

Regarded as de facto matriarch of the family, Rosamond was always willing to lend an ear and provide helpful and supportive advice. However, on occasion, a sharp rejoinder may come --- if the subject was politics.

Besides her loving husband Charles Stott, Rosamond is survived by a son Chad Hctor of Placentia, CA; three siblings, George Dausey of Tybee Island, GA, Maura Dausey of East Hampton, NY and Eugenie Fleming of Larchmont, NY; her four stepchildren, Matthew Stott of Jamaica Plain, MA, Wayne Stott of Lynn, MA, Shannon Vanderploeg of Winchester, MA and Megan Riccardi of Salem, MA along with her five grandchildren, Carter Vanderploeg, Stella Riccardi, Elise Vanderploeg, Audrey Stott, and Simone Vanderploeg.

Memorial Services will be held at a future date. Please visit www.dumontsullivan.com for more information or to leave a message of condolence. Donations to the Alzheimer's

Foundation may be made in Rosamond's name by going to The Alzheimer's Foundation website at www.alzfdn.org and clicking on the "Donate" button in the upper right. The DUMONT-SULLIVAN FUNERAL HOME in Hudson is in charge of arrangements.

Please accept my heartfelt condolences at Rosamond’s passing. I will always remember a very lovely lady with a beautiful smile, who always made me feel welcomed whenever I was in her company. “ My sincerest condolences on the passing of Rosamond. As a son of diseased Alzheimer's patient, I always reflect on the positive influence my mother had on our lives.

Although I never really had an opportunity to know Rosamond well, I will reflect on her smile when we were sharing some time at NCC.
