“ I don't have as many memories as I would like to have but this has and will always stand out in my heart...
I was maybe 7 or 8 and was over at Nana and Pappy's and ended up in the garage with Pappy. The task in front of him was to extract a broken bolt out of this hole. Well he showed how to remove the bolt with a hammer and punch, showed me what to do, explained perfectly and let me help... I have used this to extract bolts my whole life and think of Pappy EVERY time I do. I'm positive people have similar stories but that one is ours and I will cherish it forever. Rest in peace Pappy.

“ We are so sorry for Uncle Rupert's children & family at this time. He was a sweet gentleman a loving father and uncle. His nephew Ron Cloutier remembers so much, assembling motorcycles at his uncle's shop, when he was in high school, over 50+ years ago. That is a lasting impression. I remember him & aunt Alice being welcoming and kind when I married Ron. He will be missed by all who's lives he touched.
