

Teresa Rodonis

September 2, 1965 - May 11, 2016

Teresa Anne Rodonis, 50 of Hudson New Hampshire passed away peacefully on May 11, 2016. She was a lifelong resident of New Hampshire, growing up and living in the surrounding towns of Hudson and Litchfield. Teresa was a graduate of Alvirne High School and continued her education at Southern New Hampshire University. She cherished the years that she spent working at the Dartmouth Hitchcock Clinic in Merrimack and will be remembered fondly by the many friends she made there and throughout her life.

Teresa's family was the center of her life and is survived by a very close knit and loving group of people. She was raised by her parents William, Jr. and Linda (Adams) Rodonis of Litchfield, and enjoyed growing up on their farm with her 4 brothers John, David, Steve and Thomas. She will also be missed by her sister-in-law's as well as her nieces, nephews and extended family whom she loved dearly.

Teresa's determination and strength will live on through her son Michael K. Morin and Michael's longtime partner Jennifer McDowell both of Hudson. Teresa was excited about the couples beautiful future together. Teresa's bright smile and infectious laugh will continue on through her daughter Emily Marie B. Morin of Hudson. She was extremely proud of Emily's educational accomplishments.

Teresa always had a strong connection with animals and loved spending time with the many pets she had throughout her life. She found the simple beauty in nature and will always be remembered on sunny days when the flowers are blooming.

Visiting hours will be held on Sunday, May 22nd from 2pm - 4pm, with a Service of Remembrance at 4pm in the DUMONT-SULLIVAN FUNERAL HOME, 50 FERRY ST. IN HUDSON. Burial will be private. “ Words can not express how I feel. Terry was always there when someone was down and she would turn the frown into a smile or laughter. She is a great friend. I will miss her and she will always hold a special place in my heart and memories. My condolences go out to her family and friends. R.I.P. Terry

“ It has been many years since I saw Teresa and yet it feels like only the other day when we were in high school together, with John, Amy, Nancy and a host of others causing mischief and having a great time. As with all things we grew up and life set us down the paths it chose for us. Over time technology allowed us to reconnect and we all took advantage of it. I am saddened that I never got to truly catch up or witness such a beautiful family come to be. Yet I know that she always had good friends and family with her and though some of us were parted our memories will forever be a part of us.

As her book comes to an end so to other books are still being written and if you look closely in the book of your life you will find where she has filled chapters within. Cherish those always.

“ I've been trying to think of the right words to say. And these song lyrics came up. "Old days, good times I remember, fun days filled with simple pleasures, drive in movies, comic books and blue jeans, Howdy Doody, baseball cards and birthdays, take me back to a world gone away, memories seem like yesterday. Old days, good tiimes I remember, gold days, days I'll always treasure Funny faces full of love and laughter, funny places, summer nights and streetcars, take me back to a world gone away, memories seem like yesterday. Old days, in my mind and in my heart to stay, old days, darkened dreams of good times gone away Old days, days of love and feeling fancy free, Old days, days of magic still so close to me." I will cherish our "old days." May the arms of the angels give you peace and comfort, Teresa.

“ Sympathies to the family. Our world is not the same without the Rodonis Farm. My dad knew some of the Rodonis brothers so they are all in our thoughts when we head North.

“ My deepest sorrow for all that loved Teresa as I did until her peaceful passing. We shared so much of our lives together through good times and hard ones. Through it all our love and caring for each other never ended and never will. Not a day went by that she didn't talk about her love for Michael and Emily. That beautiful smile. Especially when at the sight of daisy's blooming in the spring or seeing her children. She's resting peacefully now

Even though I did not personally know Teresa I know her son Micheal well and through him I learned of his deep love for his mom and how much he cared about her. She will be truly missed by everyone. May your light shine down brightly. Rest in peace Teresa. Sincerely, A. Luoni

“ Teresa was a wonderful, caring, and dedicated co-worker during her time working in Referral Services at Dartmouth Hitchcock. She was a very strong patient advocate, and did her best every day. I am so very saddened by her passing...way too soon dear Teresa. I am praying you are walking through the beautiful flowers in heaven and will be at peace finally.
