“ George, Debbie, George, Heather, Max..
We will always remember how much fun Tootsie was..going to Bingo and Foxwoods were some of her greatest pleasures. She was lucky to have you all for being such a loving family. George we know Toots was your soul mate but take solace in knowing she will be watching over you and waiting for you on the other side. We all loved her and will think of her often with a smile.

“ Dear George, Debbie, Theresa and family,
I know how much you must have suffered during these years of illness, how well you took care of her, and the sadness of having her transferred to a nursing home, and now the thought of losing her. Your love and devotion, your loyalty and compassion must have been a source of profound consolation for her. Peter and I join in assuring of our prayers for her and for all of you.
