I am sending you a message of condolence for my father Grant "Bud" Dearborn. Youd Dad worked for and with my Dad as an electrician. They became very good friends. My Dad has become emotional about the passing of his friend "Mr. Ed" and would like to remember him as the last time they were together, at the locall coffee shop round table, solvng all the problems of the world, as they did quite often. We are unable to attend the services, but send our condolences to the family.

“ I had only met Mr. Ed this past April when I purchased a condo on Oliver Drive. He was a generous and warm-hearted man and I, like many others, did love his corny jokes. He was a special person and I regret that I didn't have the pleasure of knowing him longer. My deepest condolences to his family and friends.

“ I am so sorry to hear of Ed's passing! I met him in 1993 after a very bad time in my life and rented a studio apartment from him. Ed treated me well and I would often see him at various breakfast places in Hudson. We would talk and he would tell me a corny joke.

As my life evolved and I bought a house and a business it was Ed who I always called to do my electrical work.

He was a great guy and I will miss him. He was very special to me. That apartment on Oliver Drive was a new beginning for me and Ed was a critical component of it!

“ He will be deeply missed.
Mr Ed was the foundation of our small community at TCA. He was a wonderful neighbor, friend, & the neighborhood will never be the same.
He will always be remembered.

“ I was so sorry to hear that my dear friend "Mr. Ed" had passed on. I have known him for years and had been seeing him weekly for the past 6 months. He always had a corny joke for me which I was usually slow at getting. I looked forward to seeing him and enjoying a few laughs. My co-workers and I will never forget this unique and special person. We already miss him terribly. You have our deepest sympathy on your loss.

“ I grew up living on Oliver Dr. For the first 16 years, I lived with my parents at #7. My dad served on the condo committee with Mr. Ed, and they worked hard to make improvements to our little neighborhood. Then when my parents moved to TN, Mr. Ed had a place for me to stay at 28 B. I lived there for three years before my husband, 6-week-old daughter, and I moved to TN ourselves. I will always remember "Mr. Ed" and his big station wagon "Edsel."

I'm so sorry for your loss!
