

## Abigail Mah-Basake Etinge

May 24, 2023 - September 7, 2023

Abigail Mah-Basake Etinge, beloved daughter of Amanda and Alfred Etinge, passed away on September 7th, 2023, at the tender age of 14 Weeks Old due to complications from a Heart Surgery. She brought immeasurable joy and love to the lives of those who were opportune to meet her during her stay at Boston Children's Hospital.

Abigail was a very beautiful baby, known in the CiCu, for her bright and beautiful smile and eyes rolling that could light up any room. She was the best dressed baby in cicu Hale 7, there by gaining the name "Abby The Fashionister." Her nurses loved looking forward to what color matching bow and swaddle she will have on each shift.

Abby will be dearly missed by her parents, Uncle, aunty, grandparents, great grandparents, and a wide circle of family and friends. Although she was taken from us far too soon, the memories of her short but meaningful life will forever remain in our hearts.

Let us remember Abby for the joy and love she brought into our lives and cherish the moments we had with this precious little soul.
