“ Adam will always be remembered by me as a kind and loving soul who learned to face his hardships and fight for a better life for himself and his boys. His love of all of his family was undeniable. I'll always remember Adam "blowing in and out" of his mother's house at will and you always knew he'd be back. I was honored to be his "step" aunt and will miss him always. Adam, you are one of my heroes.

The first time I met Adam he was flying to the church on Main St on his skateboard. Big smile when he stopped. He was a sweet kind soul who loved his sons. Always had time to listen. I'll miss seeing him around.
