PS

*I had the pleasure and privilege of working with Adrienne for close to 25 years. She cared so very much for the children she worked with and was a great help to us as classroom teachers. Over the years I was able to see pictures of her kids and the grandkids which she showed with such pride. Please know she will be remembered by so many of us in Malden. I shared her obituary on my own Facebook page and I have heard from several former students who remembered her fondly and were saddened by the news. I sent along my deepest sympathy to her family.*

*“ My deepest sympathies on the loss of Adrienne. I worked with her for many years at the Lincoln School and at the Ferryway School. She cared so much about the children she worked with. We became good friends and had many happy times together. She always talked about “my Paul” and “my Anthony” with such love and pride and adored all her grandchildren. I send my condolences to her family. She will be remembered so fondly by so many people.*

*Sincerely, Leona Green*

“ As a paraprofessional at our Ferryway School in Malden, MA, Adrienne was my right hand when I headed up the cafeteria of about 240 students when the Asst. Principal left them in our hands. Adrienne was a very competent and reliable person and para.

Adrienne and I became friends. When we both retired, Adrienne and I would have dinner on occasion, and I kept in touch with annual Christmas cards. She often spoke of her two sons Paul and Anthony. She was very proud of them.

The "Ferryway Family" and I will miss you, Adrienne. One of a kind. Love you.

Sincere condolences to Adrienne's family and friends.

“ Adrienne, I have so many memories with you. I already miss our everyday phone calls. I'll miss you telling me not to call you during Jeapody or when David Muir World News was on. I kept forgetting to look at the time but you always reminded me. I'll miss all our time that we went to Sharon's gigs. You were just so sweet & never said a bad thing about anyone. I will miss you so much but I have peace knowing you are no long suffering. I will carry you in my heart forever. Love you always, your baby sister (in case you forgot who I was) Anna
