“ Emma, Gary and Barbara:

While reading the Telegraph Online yesterday, we saw that Al had passed away. His picture left us breathless. We are so sorry for you and all your family members. I can honestly say that in all the years in the business, I've never met a nicer and more honest person. We are very saddened to hear of his passing. We are in Fla for the winter and therefore will not be able to attend in person but our thoughts and prayers are and will be with you.

“ As a kid from Somerville, I remember the trips to Wayland (a big trip to the "country" back then) to visit my "Uncle Aldo" He had the strongest handshake of anyone and would lift us up to the ceiling as though we were as light as a feather. I was always welcome there and spent many fun weekends with my cousins, especially Lindsay, listening to records and swimming in the indoor pool. Uncle Aldo made a wonderful home to visit and for my cousins to enjoy. He was and is a great man and I will miss him dearly.....John F. Zullo##imported-begin##John F. Zullo##imported-end##
