“ I worked with Alex at St. Joseph Hospital from around 1980 to 1987. He was our Biomedical Engineer. I was the Nurse Manager of the ICU. We depended on Alex to keep our high tech monitors functioning. Often that meant a middle-of-the-night call to visit the ICU to reboot our huge computer. Alex had a delightful personality....and was brilliant. I'm enjoying seeing his familiar smile. Godspeed Alex.

“ *Mr. Hume was a great man. I considered him a father figure while I was growing up. He always made it a point to come and visit my family when we came to visit my parents. I had the pleasure to read Valerie's letter about Papa and she was right. He always placed everyone's needs before his own. He will surely be missed by all.* ##imported-begin##Kathleen Staley (Rodrigue)##imported-end##

“ I learned today of Alex's passing. Ironically, I drove past D-M Tues. at 4:30, and thought that I had never seen so many cars parked there. I had the privilege of caring for Joan at Fairview, and it was a rare day that Alex didn't visit to sit with her for supper. He was a kind and loving husband. I was a guest at his home on several occasions, and he was a gracious host. We often talked about our experiences in the Army in Germany, and his vacations in Hawaii. He was truly a gentleman, and I will miss him.

“ Do not stand at my grave and weep.
I am not there, I do not sleep.
I am the song that will never end.
I am the love of family and friend.
I am the child who has come to rest
In the arms of the Father who knows him best.
When you see the sunset fair,
I am the scented evening air.
I am the joy of a task well done.
I am the glow of the setting sun.
Do not stand at my grave and weep.
I am not there, I do not sleep.
Do not stand at my grave and cry.
I am not dead

“ To Doug & the Hume Family,

It is with great sadness that we learn of the passing of our old friend Alex.

There are few individuals in one's life that have such a positive impact. Alex was one of them.

I learned so much from Alex not only from a business perspective but also alot from how to live life as a good person.

Your Dad was a living definition of a "Good Man".

His knowledge, humor and patience (anyone that could put up with Lozeau and myself on a daily basis would of tried the patience of a lesser man) were just a few of his excellent characteristics.

Alex's spirt and memory will live on among his family and his friends

May God Bless you Doug & the entire Hume family##imported-begin##Jon & Penny Lobaczewski##imported-end##
