“ Dear Kathy and Family,
I am very sorry to hear about your loss. I have had the honor of being friends with Kathy for quite a few years and over that time she has shared some very nice stories of her wonderful family and also some funny stories of her loving father. I understand he will be terribly missed. My thoughts and prayers are with you. I found the poem below to be very meaningful for me last year when I lost two of my sisters. I hope it helps to bring you some comfort and hope as well. God Bless,
JoAnn Darisse.

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget."##imported-begin##JoAnn Darisse##imported-end##
