“ *To Alice's Family Members:*

Our mother, Alice Marie Burnham, then of Temple St. school, was a long-time friend of Alice's. They all stayed together even after they retired from various areas of the educational field. Several times, Dad-Andy Burnham, and I dropped mom off to have a visit with Alice and Percy or to have mom and Alice meet others for their monthly restaurant meals. They would have such great times, and were so faithful to each other.

The gatherings lasted for years and they were terrific supports for one another. What memories they had!

Our deepest sympathy and prayers for all of you at this difficult time. We will remember Alice and Percy with gratitude.

“ *Kevin, I wanted to express my sympathy with your mom's passing. I enjoyed interacting with her at Courville, though I never had the pleasure of being her direct therapist. I will have fond memories of her smile and sense of humor as she worked diligently in the gym. Take care. Deb O'Mahony, occupational therapist*
