“ My mom was a warm and loving mother who was always there for her family. That was what was most important to her and she showed her joy and love with us every day. She was always there when you needed her and was fun to be around.

Her fiesty spirit and her sense of humor with us will always be remembered. She taught us the meaning of love, family, friendship and good common sense. Always called us sweetheart or chere. We'll miss her French sayings, her welcoming heart, and the love and attention she always gave us.

We'll always miss you, carry you in our hearts and remember your laughter.

I love you very much.

Your daughter,
