“ I have so many memories I could share. Right now I'm holding them all close in my heart. I gave Amy the name Sunshine while singing, "You Are My Sunshine" to her when watching her when she was a baby while my sister worked. She would always stop crying to that song and smile. I'd give anything to see that smile in front of me! To give a big hug and kiss. I'm very thankful for the day in June I spent at Hampton with Amy on my last trip to NH. ❤️💜
