“ Dear Dale, Kellie, Brandon, and Abbie: When I heard the news I was deeply saddened. I've known Drew since I was young high school freshman. Since then, you have all accepted me into your lives as did Drew. I will miss the days when we'd talk about the local sports teams up at the lake. Drew always seemed to have a soft spot for the Red Sox. He never seemed to mind when I talked baseball with him! I will always admire his toughness and resiliency. My deepest thoughts and prayers go out to you all. Rest in peace Drew...##imported-begin##Justin L'Italien##imported-end##

“ To the Dubois family, I want to first tell you that you are an amazing family with whom Drew was so lucky to be a part of. I was also lucky to have worked with him for the last several years. I feel so fortunate in my career to have met such a brave and compassionate young man as well as a strong, loving supportive family. My heart is filled with sadness for all of you but know that Drew is in a better place.##imported-begin##Lisa O'Connor##imported-end##

“ Dear Kellie, Dale, Brandon & Abbie:

When someone so close to you like Drew is taken from us so suddenly, the pain and emptiness sometimes seems more than we can bear. Yet with time, our memories grow more precious and we come to realize that those we have loved so much do live on within our hearts.

Kellie and Dale you must always be filled with the pride for the love you have given Drew. You have set a wonderful example for many others.

Know that the love and care given to Drew by you both is seconded only by the same love and understanding given to Drew by Brandon, Abbie, Aunt Kathie, Rhianna, Aaron and the countless others that were fortunate as we were to feel the love of your remarkable son and enjoy the stories of his accomplishments.

You are all in our thoughts and prayers .

“ *I cannot seem to find the words that I feel would be comforting. The only thing I know to say is that I am and always have been so touched by the love, dedication and strength of "family" you all have exhibited. It was and has been apparent through all of the difficult times and good times that I have been blessed to be a part of with your lives. I thank God for meeting Kathie, and as a result meeting you all. God has said to Drew "Well done my child" and I know in my heart that he will certainly say that to you all as a family and how you've worked together in love, patience and gratitude. You are ALL in my prayers.*

“ Dear Dale,Kelly,Brandon and Abbie,
I'm so sorry for your loss. Drew had the most wonderful family and I know you guys will get through this together. Last summer I remember when we left last, that I hadn't gone in the cottage and say hello in person, like I usually do. I had yelled hello to him through the screen door, but I'm sorry for that. You are in mine and my families thoughts and prayers. Love to all of you. Mary Ann, Bruce, Elin, Marra and Sam.##imported-begin##mary ann wilcox##imported-end##

“ Uncle Dale, Auntie Kellie, Brandon, and Abbie,

I just want to thank you guys for being an awesome, grateful, and helpful family. You guys have helped my mom and me so much that I don't know how to thank you. You guys have seen me grow and I'm glad Drew was such a big part of that. He was such a big part of my life growing up and now. He has taught me so much, and I will never forget what he taught me. He's made me a stronger and better person and I won't ever forget the time in the backyard, playing kickball, playing in the sandbox, the swing set, kickball, or the huge parachute. I could tell Drew anything and I know I will still be able to. I love you guys so much and we will get through this together.
